CHAIN OF MEN

Our theme verse, “**From Him the whole body, joined and held together by every supporting ligament...**” implies that we need to hold onto one another, as brothers in Christ, to achieve a closer walk with God, and to fulfill God's purpose for us in this life. We want to encourage each man to link up with one or two other men, and commit to encourage, support and exhort one another in your Christian walk. If we all have a friend to our right and our left, eventually all of the men of Trinity will connect in a chain of support, strengthened by the Holy Spirit, growing, sharing the gospel, discipling and serving. If you would like to get connected, contact **Mark Scanlan (978) 365-5252**.
